February 15, 2017

Dear Parents and Students:

Please allow me to express my excitement about your interest in the STEM Academy at Showalter. This year, we have worked tirelessly with our faculty, staff, parents, and students to build an engaging academic program and a school culture that nourishes exploration and student leadership. In preparation for the 2017-2018 school year, we have already begun brainstorming ideas about new STEM-related courses and additional opportunities for our students to accelerate their learning and earn college credit while still enrolled in high school. We are certain that within the next two years, STEM Academy at Showalter will be one of the premier high schools in the State of Pennsylvania and hope that you will be the newest addition to our family.

Enclosed in this packet are all necessary materials to complete the admissions application for STEM Academy. Please review the admissions requirements carefully, and please make sure that you submit all of the required documents with your application by **Thursday, April 6, 2017**. Please note that space availability in the STEM Middle Grades Academy is limited to about 75 students, so early submission of middle school applications is strongly encouraged. Similarly, we only admit 105 ninth grade students with approximately 40 being admitted from the STEM Middle Grades Academy and encourage incoming 9th grade students to apply as early as possible.

If you have any questions about the admissions process, please feel free to contact the school office at 610.447.3650.

Again, we are excited about your interest in our school and look forward to reviewing your application materials.

Best Regards,

Jonas Crenshaw, Jr.

Jonas Crenshaw, Jr.
Principal

Student Admissions Requirements and Procedures

Revised 2/13/17

Any student wishing to apply for admission to the STEM Academy at Showalter must submit a completed application packet that includes:

- Student's most recent report card/transcript for high school
- Attendance profile from the current school year
- Discipline profile from the current school year
- Student Essay
- Two Teacher Recommendations

Additionally, students must complete an interview on the STEM Academy campus.

Admissions Criteria

- Student must have no less than a 2.5 grade point average from the current school year.
- Student must have no more than fifteen (15) unexcused absences from the current school year.
- Student must have no more than two (2) suspensions in the current school year.
- Student must score no less than a two (2) on the essay grading rubric.
- **Please note that current STEM Academy middle school students must reapply for admission for high school.**

Exceptions

- A parent/student interview may be waived if the student exceeds all aforementioned admission criteria.
- A student may submit an application if he/she does not meet all of the aforementioned admission criteria. The applicant may or may not be granted an interview.
- If a student is granted admission to STEM Academy but does not meet one(1) of the aforementioned admission criteria, he/she may be admitted on an academic probationary status with a successful student/parent interview.
- **Students admitted on academic probationary status must have parents attend a certain number of parent engagement activities while the student is on academic probation.**

Academic Probation

Academic Probation

We trust that every student at STEM Academy will enjoy a rich academic program and will successfully integrate themselves into the rich culture established at the school. In the event, however, that a student experiences academic and/or behavioral challenges, he/she might be placed on academic probation. At the end of each semester, the following data points will be used to identify students who are on academic probation:

- Student has been suspended one(1) time
- Student has five (5) or more cutting offenses
- Student has two (2) or more failing grades
- Student has ten (10) or more absences

If a student is placed on academic probation for one or more of the aforementioned reasons, the school administration will schedule a meeting with the student and the parent. During the meeting, all stakeholders will create an intervention plan for the student and will also create measureable goals based on the student's academic/behavioral performance. The student will have one (1) semester to achieve the identified goals. If the student meets all goals set in the intervention plan, the student will be removed from academic probation. If the student fails to meet the goals created in the intervention plan, he/she will be recommended for reassignment to another educational program.

Probation Timeline

August	Students notified about Semester 1 probation status
September	Intervention meetings held with parents and students on academic probation
February	Review first semester data to determine students who did or did not meet academic probation goals. Students who don't meet probation goals may be transferred to Chester High School in February.
February	Review first semester data to determine students who will be placed on Semester 2 academic probation.
February	Students notified about Semester 2 probation status.
February	Intervention meetings held with parents and students on academic probation
June	Review of intervention goals for all students on academic probation
June	Recommendation to remove students from probation or reassign students to another program
July	Review second semester data to determine students on Semester 1 academic probation

Submission Checklist

Please place the student’s initials in each space to indicate that the requested information has been included with the admissions application. Incomplete applications will not be reviewed until all necessary components are submitted.

- ___ Student Application
- ___ Student Essay (500 words or less for high school/350 words or less for middle school)
- ___ Two Teacher Recommendations (In sealed envelope with teacher’s signature across seal)
- ___ Office verification (In sealed envelope with office staff’s signature across seal)
- ___ Most recent report card/transcript for high school
- ___ Current IEP, if applicable
- ___ Submission Checklist with student signature and parent signature

I affirm that all of the information included in this admissions application packet is true and can be substantiated by the student’s current school. I realize that any false information provided can serve as grounds for disqualification of admission to STEM Academy at Showalter.

Student Signature: _____ Date: _____

Parent Signature: _____ Date: _____

Applications are due to STEM Academy on Thursday, April 6, 2017.

STEM ACADEMY DOES NOT DISCRIMINATE ON ADMISSIONS TO OUR SCHOOL BASED ON RACE, AGE, RELIGION, ETHNICITY, SEXUAL ORIENTATION, LANGUAGE, OR STUDENT DISABILITY STATUS.
