

Chester Young Parent's Program

Do you need help with education, childcare, welfare benefits, parenting or support? We can help!

The Chester Young Parent's Program provides one-on-one support to pregnant adolescents and teen parents.

Services will help you:

- Complete high school and plan for higher education
- Become a better parent
- Obtain appropriate community resources, such as childcare, supportive services, Temporary Assistance for Needy Families (TANF), life skills training and employment
- Get in-home supports
