Welcome to LiveSchool!

**RECOGNIZING AND REWARDING
POSITIVE BEHAVIORS**

Greetings Parents, Students, and Staff!

LiveSchool is now "live."

LiveSchool is a PBIS (Positive Behavior Interventions and Supports) program we are using to accentuate the positive behaviors we want to see in the Digital Academy.

Students can receive rewards for a variety of good behaviors and use those rewards to "buy" incentives ranging from a "camera off" pass to a Bluetooth Speaker or Amazon Kindle Fire reader.

Students and Parents can track progress on their phones or computers. More on Page 2!

Recognizing and Rewarding Positive Behaviors

Students and parents received an email from Mr. Thompson on Wednesday with credential codes to sign up for Liveschool. There's even an App for both Apple and Android Phones.

Our primary goal with LiveSchool is to recognize and reward positive behaviors like being on time, participating in class, having cameras on, and working with academic integrity.

Students receive points for positive behaviors and can "spend" those points on a variety of rewards. Please log into your student or parent account to see your students' progress!

A huge shout-out to Mr. Jesse Ballenger for bringing us LiveSchool and executing the implementation of the program - Mr. Ballenger used LiveSchool when he was teaching in Alaska!

If you have difficulty accessing your student or parent account(s), please contact Mr. Thompson or Mr. Ballenger via email.
