BUILDING THE PROGRAM FOR 2022-2023

Greetings Parents, Students, and Staff!

We are actively planning for the next school year and need your help!

In the near future all parents and students will receive a survey to help us plan for next year. Please complete the survey when you receive it to help guide us to a better program.

Key items on the survey will include:

Are you planning on returning to Digital next year?

If you are planning on returning, would you want to remain 100% remote or would you be willing to participate in half-days of in-person instruction?

Are you interested or willing in serving on our planning team?

Recognizing and Rewarding
Positive Behaviors

Tracking negative behaviors

Parents who have signed into their LiveSchool accounts will receive a "recap" report this Friday that now shows both positive and negative behaviors. Tracking the "negative" behaviors helps us understand what to focus on next. **Rest assured, tracking negative points does not count against positive student behaviors or the rewards program.**

On Thursday, March 10th, we had our second "rewards day." The most popular rewards are the early dismissal pass and the quiz pass. Do you want to know what else is available? View our Rewards Catalog by clicking the link in the email that sent you this newsletter!

Students are not required to be in
school but are encouraged to
continue catching up on work.

The year will
be over soon!

Students and
Parents received a
progress report on
Wednesday 3/09

Students who are
behind in one or
more subjects are
strongly
encouraged to
work on those
courses this
weekend.

The third quarter
ends on March
25th, and June
will be here before
you know it.

Get the work done
now so you don't
have to rush at the
end of the year!!!
