Mid-Quarter Reports

PLEASE REVIEW ON HOME ACCESS CENTER

Greetings Parents, Students, and Staff!

Mid-Quarter Interim Reports were posted to Home Access Center this morning. Students, please review your progress with your parents and guardians so they know how best to support you.

If you received an "I" for a semester length course in Marking Period 2, please do your best to complete that coursework by February 28th so we can convert your "I" to a legitimate grade.

Congratulations to all the students who are currently passing all of their courses! If your mid-quarter report shows one or more in danger of failing grades, please get caught up as quickly as you can - the third quarter ends on March 24th which is only five weeks away.

Remember that Mr. Ballenger, Ms. Barnes, and Ms. Salim offer afterschool tutoring in all subjects from Monday to Thursday each week. Sign up for the extra help you need.

As always, thank you for your trust in us.

Benchmark Results

Winter 2023

We are thrilled to report that our 4th through 8th grade students had a **100% participation** rate in the winter benchmarks!

50% of our 5th and 6th graders showed growth in Reading, and 50% showed growth in Math!

50% of our 7th grade grew in Reading, and 25% in Math

25% of our 8th grade showed growth in Reading and 50% in Math

Our high schoolers only managed a 50% participation rate during this test, and Mr. Thompson has challenged them to do better on the third round in April.

We are proud to report that of the high school students who did complete both tests, growth was seen in:

Grade	Growth in Reading	Growth in Math
9	27% of students	64% of students
10	0% of students	20% of students
11	77% of students	44% of students
12	40% of students	35% of students

Please encourage your students to participate fully in the April Benchmarks - it's the best way for us to know what works!

*Congratulations to ISA HAKIM,
Grade 8 for his participation in the
District-Wide Spelling Bee!*

Thank you for Representing Digital!
