Year End Celebrations!

CONGRATULATIONS AND RECOGNITION

Greetings Parents, Students, and Staff!

The 2022-2023 School Year is over; we offer congratulations to all our students who completed their coursework and will be promoted to their next grade.

We congratulate the Class of 2023 - our Graduating Seniors are listed on page 2!!! Congratulations and best wishes in your next endeavor!

We congratulate our Eighth Graders who will begin High School next year; whether you have applied to STEM, will remain in Digital, or are moving to "The High", we wish you all the best as you begin this new adventure!

We congratulate our Students of the Month for May and our Students of the Year for each grade on their academic achievement and wish them happy shopping with their well-earned rewards

Most of all, we thank our parents and guardians for entrusting us with your students. We cannot do this alone, and active participation by our families is the surest path to success for our students. Thank you again!

If you have not yet completed the "Intent to Return" survey, please complete it today so that we know who to expect in September! [Intent to Return Survey](#)

The Digital Academy
