*"For the Betterment of Our Children"*

March 27, 2023

Dear Parents,

We hope this letter finds you well. As we all know, education is a collaborative effort, and parent involvement is crucial to the success of our students. We are writing to invite you to become a volunteer at one of our schools. As we enter into the fourth marking period, we would love to have some additional adults in our building to support our students daily.

Volunteering is a great way to make a positive impact in your child's education and the school community as a whole. Your time, skills, and knowledge can make a significant difference in creating a better learning environment for our children. As a volunteer, you will have the opportunity to work with teachers, staff, and other parents to support our school's educational goals.

There are many ways in which you can contribute your time and skills. You can volunteer in the classroom, cafeteria support, help with school events, chaperone field trips, and support fundraising efforts. We understand that everyone has different commitments and schedules, so any amount of time you can give will be greatly appreciated.

To become a volunteer, all you need to do is complete a volunteer application form, which can be obtained from the school office or on our school website. The form includes a background check authorization, which is required for all school volunteers. **You can get the background check free of charge.** Please click on the link to access information needed for background check.

We would like to thank you in advance for considering this opportunity. We value your involvement and support in our school community, and we believe that together we can make a positive impact on our children's education.

If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

A handwritten signature in blue ink that reads "Dr. Craig Parkinson". The signature is fluid and cursive.

Craig L. Parkinson, Ed.D.  
Superintendent of Schools
