

Calling All Readers

We invite you

Come be a part of the CUSD Community Readers program. We invite you, community members, to come into our schools and read to our students.

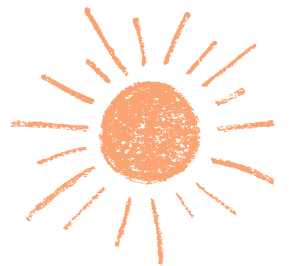

Do you like reading?

Community Readers must register using the QR code below to read in a classroom. Books will be provided or you may bring your favorite(s). *(Subject to approval by district or building administration)*

We Want You

Community Readers must have updated Child Abuse and Pennsylvania State Police Criminal History Clearances on file in the Curriculum and Instruction Office.

Consent to have their pictures taken as a part of the program is appreciated. The commitment to read is between 15 to 30 minutes in each classroom selected.

Please reach out to cparker@chesteruplandsd.org for any additional questions or concerns.
