Chester Upland School District Athletics: November 8, 2021

Historic Football Season

Congratulations to our Chester Clippers Football Program for a historic season. The football program hosted Kennett High in the 1st-round playoffs. The final score was 28-31. After the game, senior players shared their appreciation for the program and towards their fellow teammates. It was an emotional and rewarding moment. The players exited the field with their heads held high. The first-ever playoff football team in Chester High Football History. Great work. Go Clippers! ClipperNation.
