Dear Chester Upland School District Families:

We are excited about the upcoming school year and cannot wait to see our students back in the building on August 30, 2021. To assist with our 2021-22 opening plans, please complete the instructional choice form below by August 16, 2021. You will need to complete a separate form for each of your students. Chester Upland School district is offering two forms of instruction for the upcoming school year.

Option One: In-person (Students will attend classes in person daily.)

Option Two: Remote Learning through Chester Upland School District's Design Thinking Digital Academy. This program is designed for students enrolled **in grades 3-12 only**. Students will receive teacher-directed instruction virtually via an online curriculum. Visit the district website for more information about the Design Thinking Digital Academy.

We appreciate your cooperation and participation in this survey.
