

Welcome Parents!

Dear Chester Upland School District Parents and Guardians,

I will be hosting my first Parent/Guardian-Superintendent Forum on Wednesday September 22, 2021, at 6:30 pm.

During this meeting I will provide you with an assessment to the start of the school year. The short and long term goals for the district as well as the immediate areas of focus.

I am very excited to support and be a part of the Chester Upland School District. Together we will provide hope and excitement within our students of the CUSD.

Dr. Craig L. Parkinson
Superintendent of Chester Upland School District
