&
Children's Hospital of Philadelphia**

A Coronavirus (COVID-19) Informational Session

Thursday, August 27, 2020

Presenters

Susan Coffin, MD MPH is an attending physician and Associate Chief of the Division of Infectious Diseases at the Children's Hospital of Philadelphia, and a professor of Pediatrics at the Perelman School of Medicine at the University of Pennsylvania. She is actively engaged in the clinical care of children with infections, research on the transmission of infectious diseases in healthcare and community settings, and teaching of medical students, residents, fellows, and other care providers.

Meredith Matone, DrPH MHS is the Scientific Director of PolicyLab at the Children's Hospital of Philadelphia, and an assistant professor of Pediatrics at the Perelman School of Medicine at the University of Pennsylvania. As a public health researcher, she engages with city and state agencies on the evaluation of child and family-focused programming.
