Community Questions**

Questions	Responses
<p>Agenda Items D-19 and D-20 How will the new technology equipment be inventoried, distributed, and collected back after use? Advise how they will be safeguarded.</p>	<p>New equipment is being tagged (where appropriate) and inventoried via an application named Asset Keeper. We will distribute to the specified areas within the district to the specified responsible parties. Depending on the use and the lifecycle, the equipment will be collected to go back into inventory or will be removed from the records. All equipment that is brought into IT will be stored in a locked/secure area.</p>
<p>Are there established contracts with a transportation company for the 2023-2024 school year?</p>	<p>This coming school year we will be utilizing five transportation companies to meet the needs of the CUSD. There have been contracts presented to each organization which will be supporting the district. Contracts will be presented to the Receiver at the next meeting for his approval.</p>
<p>Have the air conditioning units in Chester High School been repaired?</p>	<p>This is an ongoing repair and will be completed by the last week of August 2023.</p>
<p>Agenda Item D-8 Was the proper policy and procedure followed in the procurement of the cleaning equipment? Please advise how the equipment will be stored and maintained.</p>	<p>CUSD opened bids on July 13th . and awarded based on best proposal to specs on RFP. Additionally, equipment will be stored in schools where equipment will be utilized, training will be provided to staff for proper and safe use and to maintain equipment.</p>
<p>Status update on the repairs at Toby Farms, Chester High School, and the other schools.</p>	<p>Toby Farms: Abatement has been completed for phase of 2023. Installation of tiles for D/C/B/A wing will be completed by the start of 2023/2024 school year. 1st phase of HVAC/ceiling/curtain wall of windows/ceiling grid will commence in September 2023.</p> <p>Chester High School: Cleaning will be completed before students arrive. The bathroom floor will commence and will finish throughout 2023/2024 school year. Totaling 30 Gang bathrooms. Bathroom remodel to include partitions/ fixtures/lighting/lighting/painting/tiles.</p> <p>CUSA: Painting has commenced and will be completed by 9/4/23.</p>
