Mr. Andrew Piasecki has been a member of the CUSD Community December of 2020 and he currently teaches Botany and Human Anatomy. While Mr. Piasecki is one of our newest faculty members here at STEM, he is very familiar with the Chester/Upland area and our students. Mr. Piasecki is an Upland Native and he attended CUSD schools in elementary school before moving out of the area. Mr. Piasecki earned his Bachelor of Science Degree in Biology from Cedarville University in Ohio, and he also received a teaching certificate from St. Joseph's University. In his free time Mr. Piasecki loves playing Ultimate Frisbee and Basketball with friends. He also enjoys going on walks and making use of local playgrounds with his two young children - Lucy, who is 4, and Liam who is 1. Grateful for his service and dedication to both CUSD and STEM, we honor Mr. Andrew Piasecki as our March STEM Staff Member of the Month
