Staff Member of the Month

Mr. John DuBois: Mr. DuBois has been a valued member of the CUSD Community since 2013. Currently, Mr. DuBois serves STEM in many capacities including as the Computer Science Teacher, Physics Teacher, and AP Calculus Teacher. Mr. DuBois also selflessly volunteers his free time to assist our STEM students as the Robotics advisor for the After School Program and the Environmentors Advisor (in collaboration with Widener University). Delete: *(and Annenberg Science Symposium Assistant.)* Mr. DuBois is a graduate of Immaculata University (BA Physics and Mathematics) and Villanova University (MA Mathematics). In his free time, Mr. DuBois enjoys woodworking, electronics, and computer programming. His future aspirations include earning a PhD in Mathematics. Grateful for his many years of service to both CUSD and STEM, we honor Mr. John DuBois as our November STEM Staff Member of the Month!
