**C-6 Approval that Homestead and Farmstead exclusion real estate tax assessment reductions are authorized**

RESOLVED, by the Receiver of Chester Upland School District, that homestead and farmstead exclusion real estate tax assessment reductions are authorized for the school year beginning July 1, 2016, under the provisions of the Homestead Property Exclusion Program Act (part of Act 50 of 1998) and the Taxpayer Relief Act (Act 1 of 2006), as follows:

1. **Aggregate amount available for homestead and farmstead real estate tax reduction.** The following amounts are available for homestead and farmstead real estate tax reduction for the school year beginning July 1, 2016:
  - a. **Gambling tax funds.** The Pennsylvania Department of Education (PDE) has notified the School District that PDE will pay to the School District during the school year pursuant to Act 1, 53 P.S. § 6926.505(b), as a property tax reduction allocation funded by gambling tax funds, the amount of \$2,753,311.29.
  - b. **Philadelphia tax credit reimbursement funds.** PDE has notified the School District that PDE will not pay the School District during the school year pursuant to Act 1, 53 P.S. § 6926.324(3), for reimbursement for Philadelphia tax credits claimed against the School District earned income tax by School District resident taxpayers, since resident taxpayers do not pay a local earned income tax..
  - c. **Aggregate amount available.** Adding these amounts, the aggregate amount available during the school year for real estate tax reduction is \$2,753,311.29.

2. **Homestead/farmstead numbers.** Pursuant to Act 50, 54 Pa. C.S. § 8584(i), and Act 1, 53 P.S. § 6926.341(g)(3), the County has provided the School District with a certified report listing approved homesteads and approved farmsteads as follows:
  - a. **Homestead property number.** The number of approved homesteads within the School District is 4,166.
  - b. **Farmstead property number.** There are no approved farmsteads within the School District.
  - c. **Homestead/farmstead combined number.** Adding these numbers, the aggregate number of approved homesteads and approved farmsteads is 4,166.
  
3. **Real estate tax reduction calculation.** The receiver has decided that the homestead exclusion amount shall be equal. Dividing the paragraph 1(c) aggregate amount available during the school year for real estate tax reduction of \$2,753,311.29 by the paragraph 2(c) aggregate number of approved homesteads of 4,166 (before considering the assessed value of approved homesteads having an assessed value below the preliminary calculation of the maximum real estate assessed value reduction amount to be established as the homestead exclusion amount), the preliminary calculation of the maximum real estate tax reduction amount applicable to each approved homestead is \$660.90.

Based on calculations provided by the School District Business Office from the best available information and carefully evaluated by the Receiver, considering the assessed value of approved homesteads having an assessed value below the preliminary calculation of the maximum real estate assessed value reduction amount to be established as the homestead exclusion amount, an additional aggregate amount of \$57,906.29 will be available during the school year for real estate tax reduction applicable to approximately 666 homesteads, resulting in an additional real estate tax reduction amount available for each of the 3,500 remaining homesteads of \$16.55. Adding this additional amount to the preliminary calculation of the maximum real estate tax reduction amount of \$660.90, the final maximum real estate tax reduction amount applicable to each approved homestead is \$677.45.

4. **Homestead exclusion authorization** – July 1 tax bills. The tax notice issued to the owner of each approved homestead within the School District shall reflect a homestead exclusion reduction equal to:

For The City of Chester:

The lesser of:

- The City of Chester Assessed Value multiplied by the 2016-17 millage rate of .0597633;
- or \$677.45

For Chester Township or Upland Borough:

The lesser of:

- The County of Delaware Assessed Value multiplied by the 2016-17 millage rate of .0256555;
- or \$677.45

For purposes of this Resolution, “approved homestead” shall mean homesteads listed in the report referred to in paragraph 2 above and received by the School District from the County Assessment Office on or before May 1 pursuant to Act 1, 53 P.S. § 6926.341(g) (3), based on homestead/farmstead applications filed with the County Assessment Office on or before March 1. This paragraph 4 will apply to tax notices issued based on the initial tax duplicate used in issuing initial real estate tax notices for the school year, which will be issued on or promptly after July 1, and will not apply to interim real estate tax bills.
